ギャース！

There, Ron!

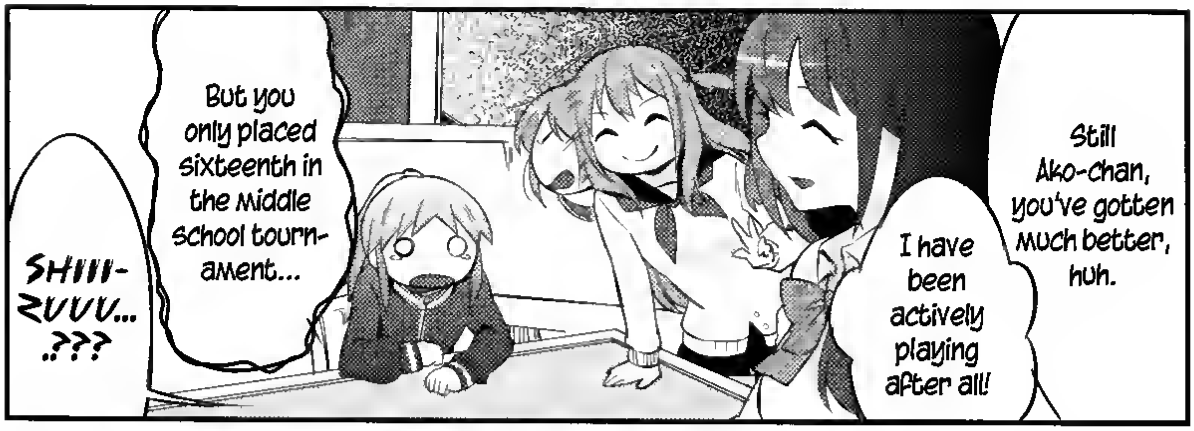
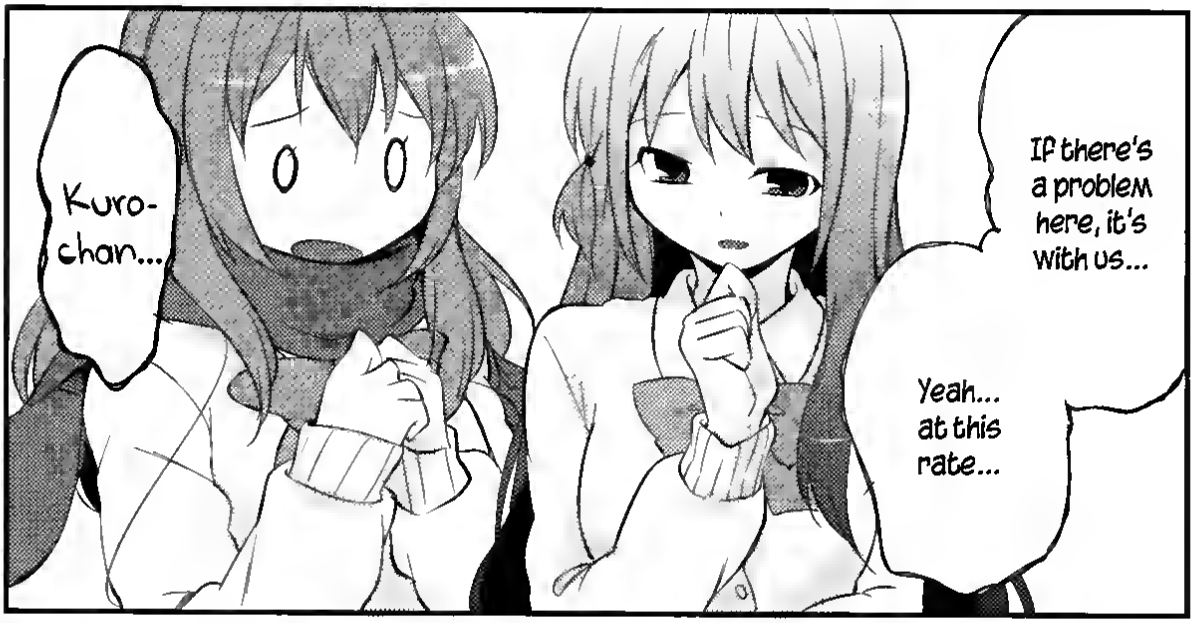
麻雀部
Mahjong Club
You're not going to take me down that easily.
If I lost to someone who hasn't played for a while, my pride as a player would be completely crushed.
Gahhhhhhh!!! Ako beat me again!!!!!



Still Ako-chan, you've gotten much better, huh.
I have been actively playing after all!
But you only placed sixteenth in the Middle school tournament...
SHIII-ZUUU... ...???



If there's a problem here, it's with us...
Yeah... at this rate...
Kuro-chan...

Maybe so, but we've only just started to practice.
Let's have fun with it!
You're right. Kuro-chan, let's give it our best!

Let's...
set up a penalty game!!
Idl Idl Idl!!
Come on! We did this back in the kid's Mahjong Club too!
Whatever!!
Take a hint... Shizu.
... Huh? What are you talking about?

fuehhh...
or something like electric massage! (it was mostly Kuro-san doing it to me back then)
We could do pro wrestling moves (it was mostly Kuro-san performing them on me back then)
Ahh...!!
Sigh
Shiiizuuu... we aren't little kids any more.
Since we had penalty games back then, there was much more tension in games than we have now!
If we could get that back...
then I wouldn't lose to the likes of you, Ako!!

Gyaahh...!
That might be a good idea, though! It sounds fun!

SHIIII IZUU UUU?
Hya-ahh!!

You never know how fun it might be until we try it out! Let's give it a shot.
I don't either.
I don't know any pro wrestling moves.
Eh? We're seriously going through with this?

Flash

The penalty game we're doing has already been decided.
I said this before, but we aren't kids any more.
?

What are you talking about!?
It wouldn't be a good idea to wager money...
Ah, but we could have the loser buy the others ice cream at the convenience store.

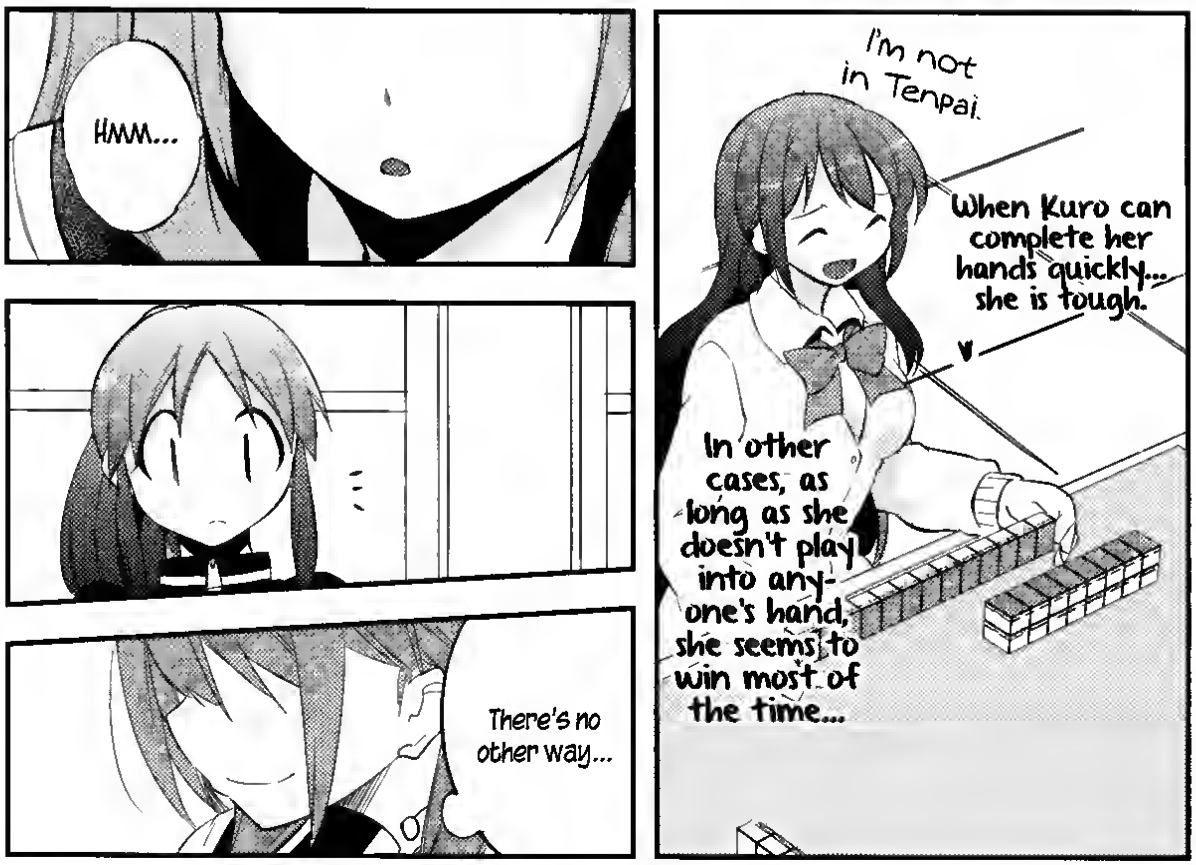
We're playing Strip Mahjong!!
Strip Mahjong!?
Fiiiiine! Strip Mahjong or whatever else, just bring it on!!
I don't even know the rules of Strip Mahjong to begin with!
Do we take each other's clothes off?
I hate.. cold things...
Ehhh
Could this be a legal way to look at boobs!?

I'M GONNA WIN!!!!!!
THEY'RE NOT GOING TO TAKE HARUE-CHAN'S NECKTIE FROM ME... ARE THEY?
I WISH I PUT ON MORE LAYERS OF CLOTHING...
BOOBS!♪ BOOBS!♪
ゴーゴーゴーゴーゴー
Thanks to the addition of a penalty game, everyone's Mahjong ability increased at a rapid pace.
Whoooa!! Everyone's fired up!!

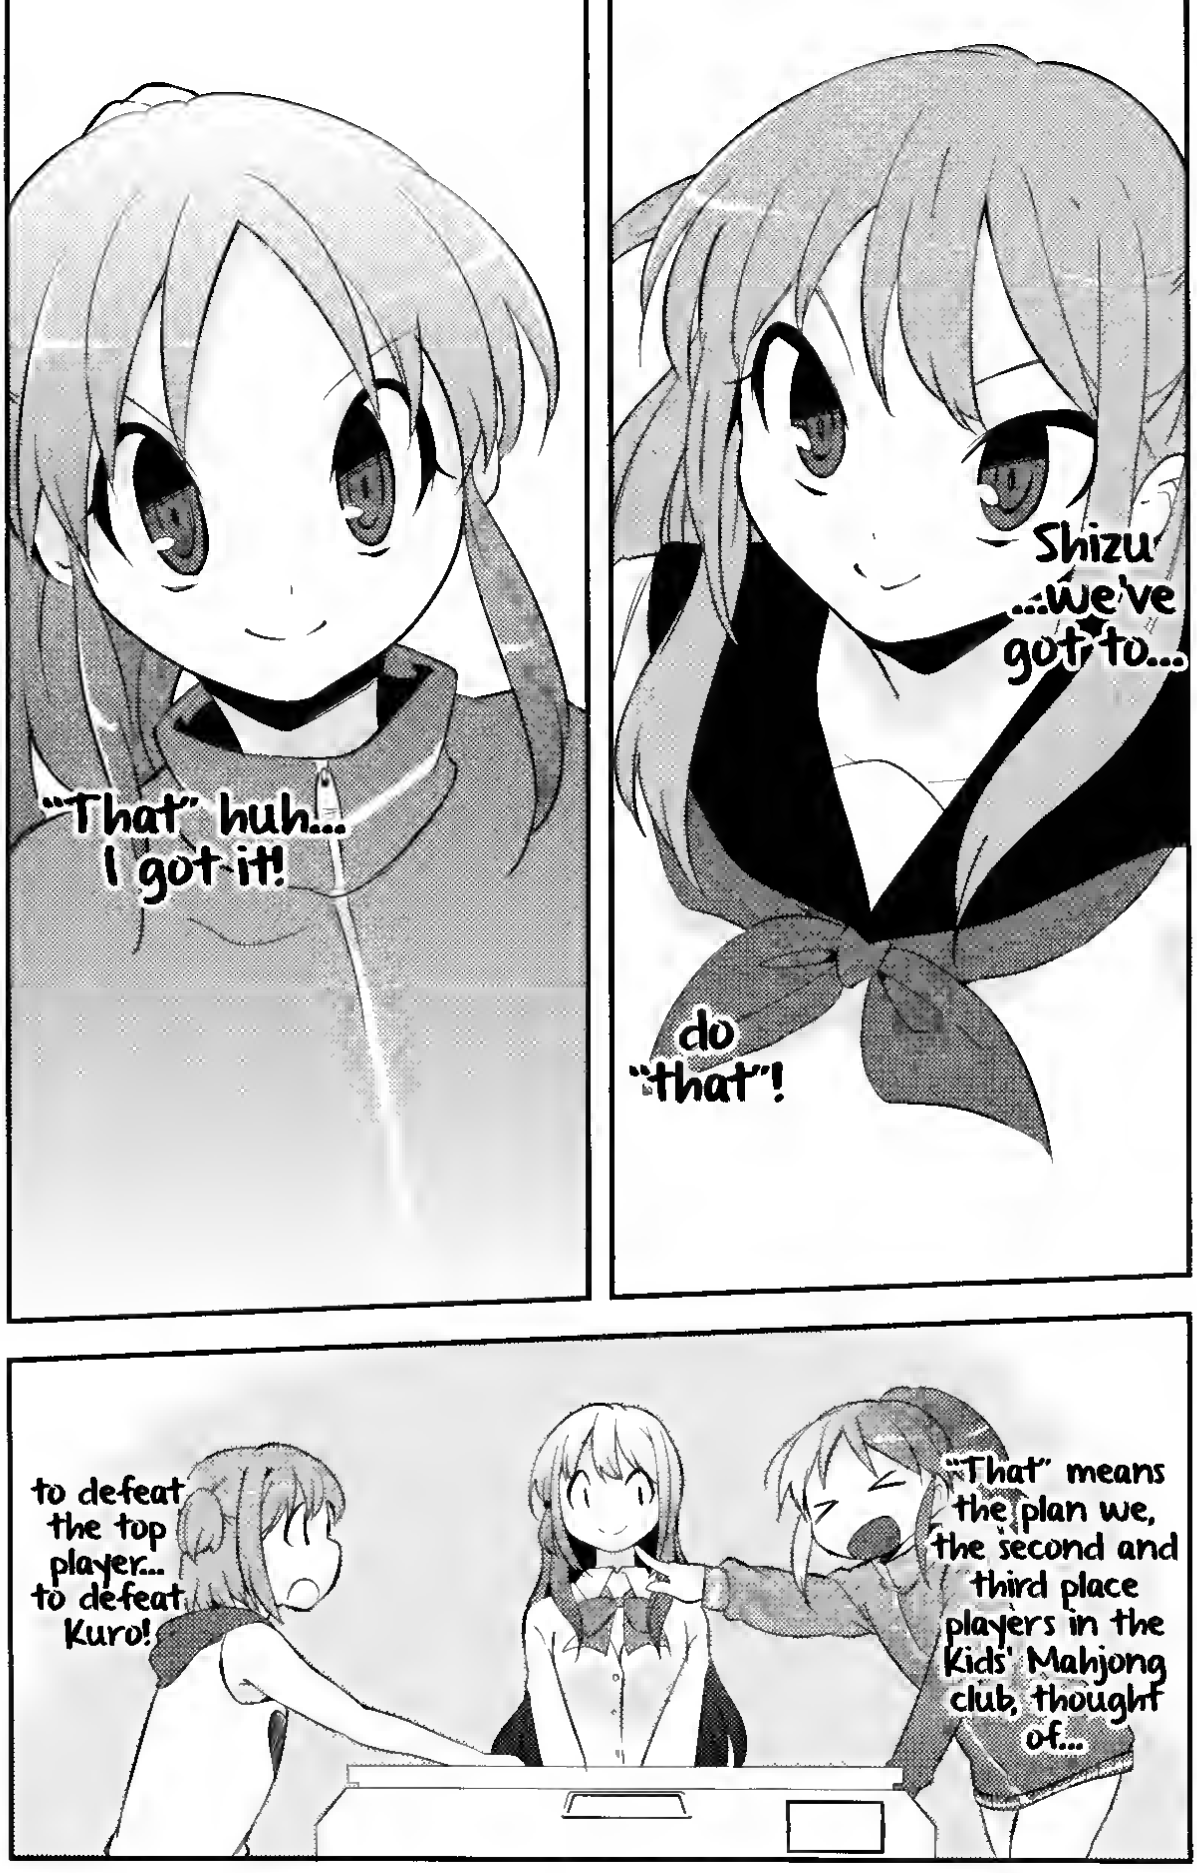
Hold on a minute!! These rules aren't very fair to me!!
Just concentrate on not losing... on not losing.
Boobs...

Tsumo!
Tan-Yao, San-Shoku
Seven Dora!
12,000 from all of you!
ゴゴゴ
ゴゴゴ
シャラ
.....
Yaaayyy! Thank you!

It's the first East hand and she already got a dealer's sanbaiman...
That's rough...
Kuro's Mahjong play style is simplistic.
If she gets the chance, she's going to beat you most of the time.
The very meaning of "one shot, one kill"... Dora Mahjong!

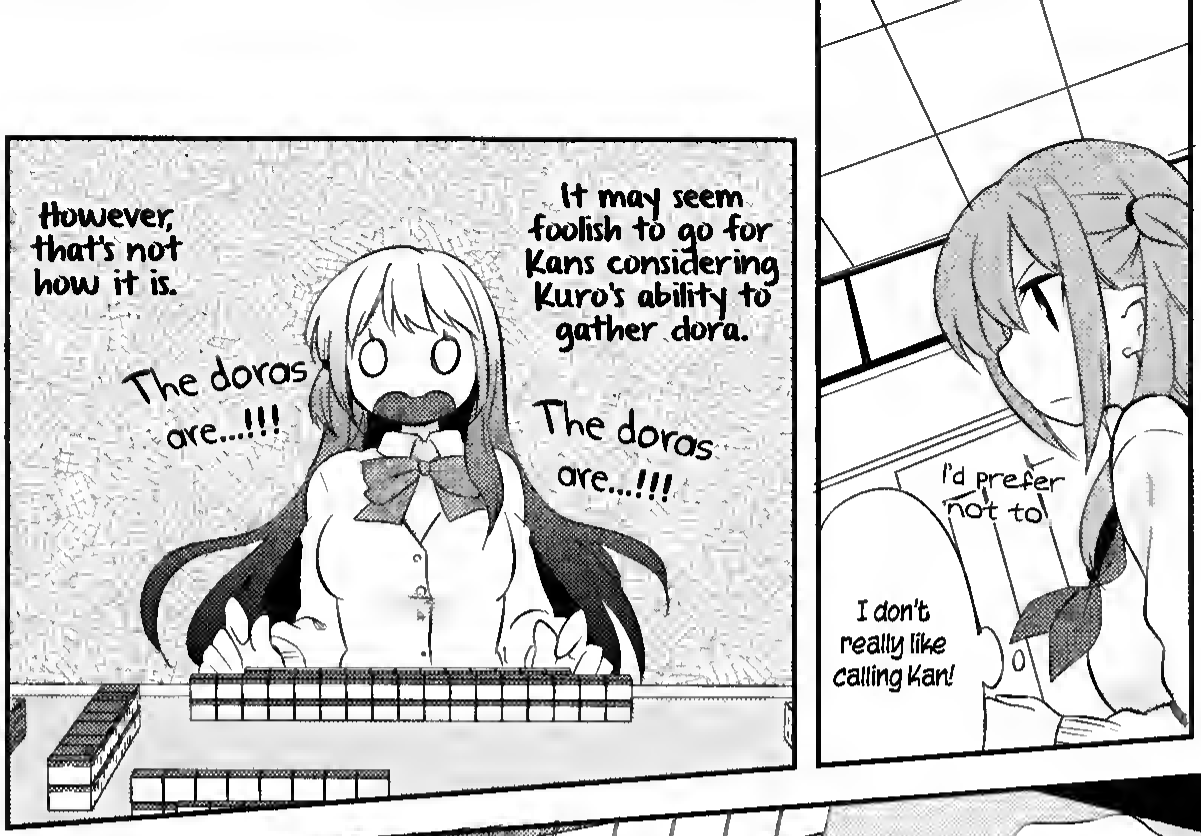


HMM...
I'm not in Tenpai.
When Kuro can complete her hands quickly... she is tough.
In other cases, as long as she doesn't play into anyone's hand, she seems to win most of the time...
There's no other way...

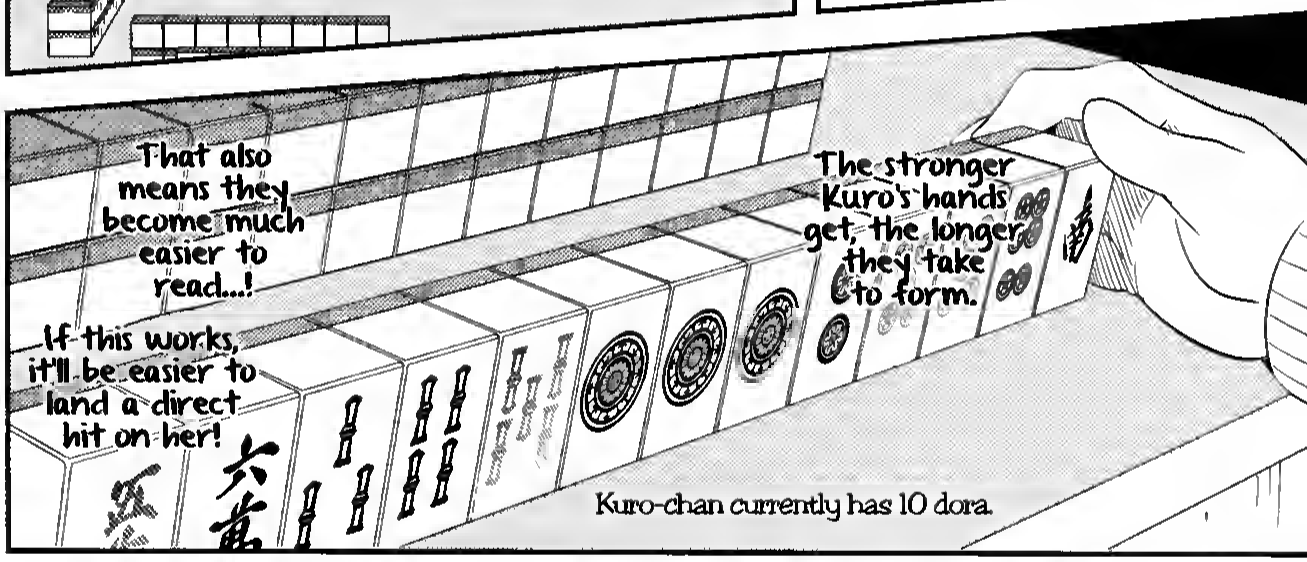


"That" huh... I got it!
Shizu ...we've got to...
do "that"!
to defeat the top player... to defeat Kuro!
"That" means the plan we, the second and third place players in the Kids' Mahjong club, thought of...

This can work...
Pon!
East - Hand Three
Dealer - Matsumi Yuu
Here we go! The ideal situation to carry out our plan...!
You're increasing the number of dora!? Really!?
Eh!? Are you sure!?
Kan!!
And here!
Kan!!



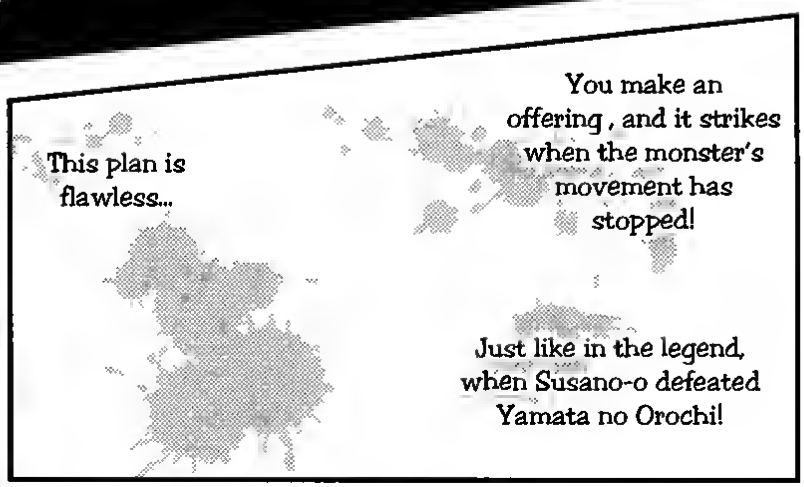
I'd prefer not to
I don't really like calling Kan!
It may seem foolish to go for Kans considering Kuro's ability to gather dora.
The doras are...!!!
However, that's not how it is.
The doras are...!!!



The stronger Kuro's hands get, the longer they take to form.
That also means they become much easier to read...!
If this works, it'll be easier to land a direct hit on her!
Kuro-chan currently has 10 dora.

This is our secret strategy...!

Not to mention, if Kuro happens to discard a dora, that'll be convenient for us and could help our chances for a come back victory!
This truly is killing two birds with one stone!



This plan is flawless...
You make an offering, and it strikes when the monster's movement has stopped!
Just like in the legend, when Susano-o defeated Yamata no Orochi!

Susano-o is a Shinto god, who slayed Yamata no Orochi, an eight headed serpent in japanese folklore. The sword is found in one of the serpents tails after Susano-o cuts it off.

With... 6 uradora...

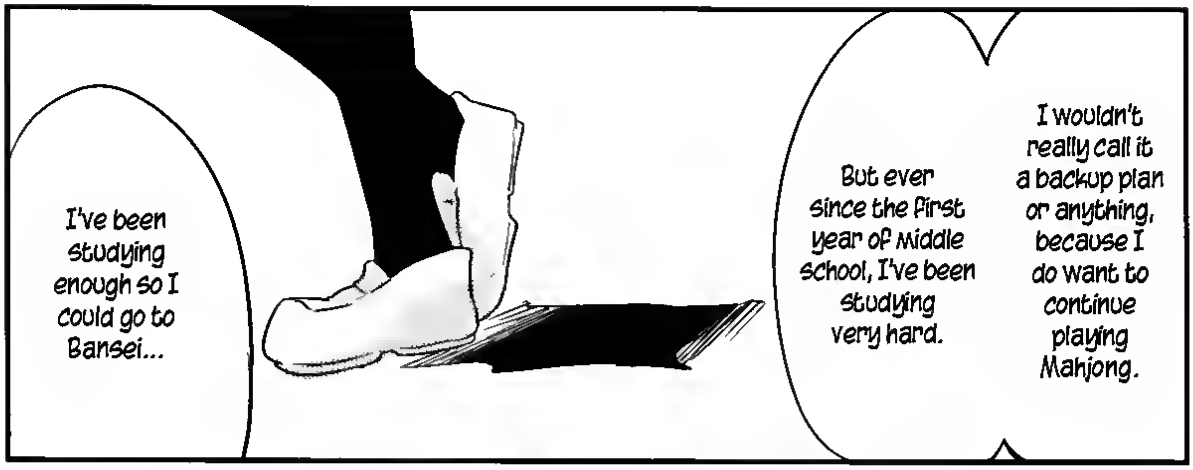
Though, we should have known this could happen...
Well, we did come up with it as kids
You have to take some risk, but this was plain awful
It was a bad idea to keep calling kan recklessly...
The flaw was... being tied to how little we knew of Mahjong when we were children. It was still a kid's idea in the end.

And so they remove their clothes.
You seem used to this...!
Ako...
Only one piece, though!

Mahjong really is a ton of fun.
Well, if we could make it to the nationals at our current level, we wouldn't have much work to do.
Ahhh, we were able to play... a lot today as well!
...
Ako... are you sure you're okay with how things turned out?
Not going to Bansei, I mean...

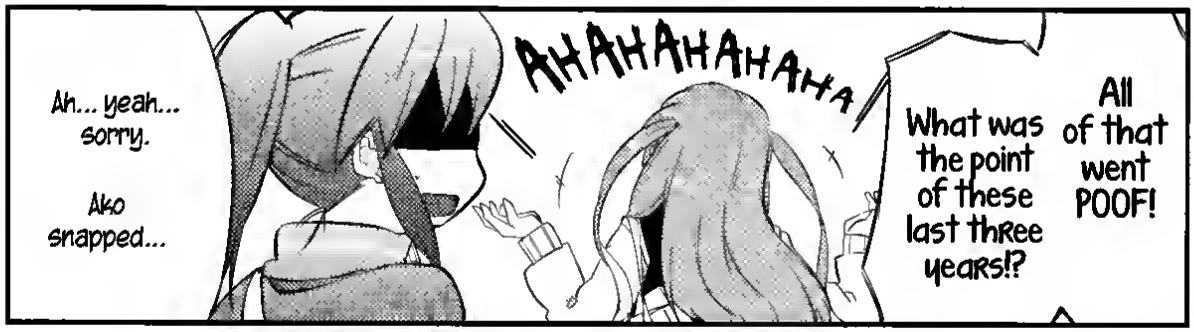
Huh...? Did you hit your head?
Hey! That's really mean!
What's with that! And I was worried about you, too.
It's just not like you to say that.
No, no, listen!
You went to Adamine Middle School because you wanted to play Mahjong... so I can understand why you would want to go to Bansei...
So when you said you were coming to Achiga because of the rest of us, something felt wrong...
...

A-About what, for example...?
It's not like I don't have any lingering regrets about not going to Bansei.
It's fine, I don't mind not going there.
IT'S THAT SIMPLE !?
I suppose it would be all right to tell Shizu.
Hmm...
Actually, I...
received a recommendation from Bansei.
Based on your academic abilities, you mean?

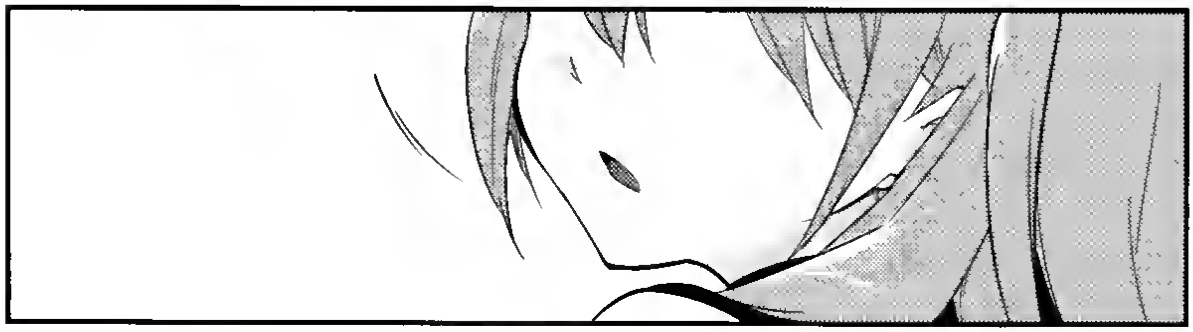


I've been studying enough so I could go to Bansei...
But ever since the first year of Middle school, I've been studying very hard.
I wouldn't really call it a backup plan or anything, because I do want to continue playing Mahjong.

Do you have any idea just how difficult it is to get a recommendation from that high school!?
I really did want to play Mahjong with you and the others, but I was studying so much I had no time to.
And then my teacher started expecting a lot from me.
Basically when I wasn't playing Mahjong, I was studying.



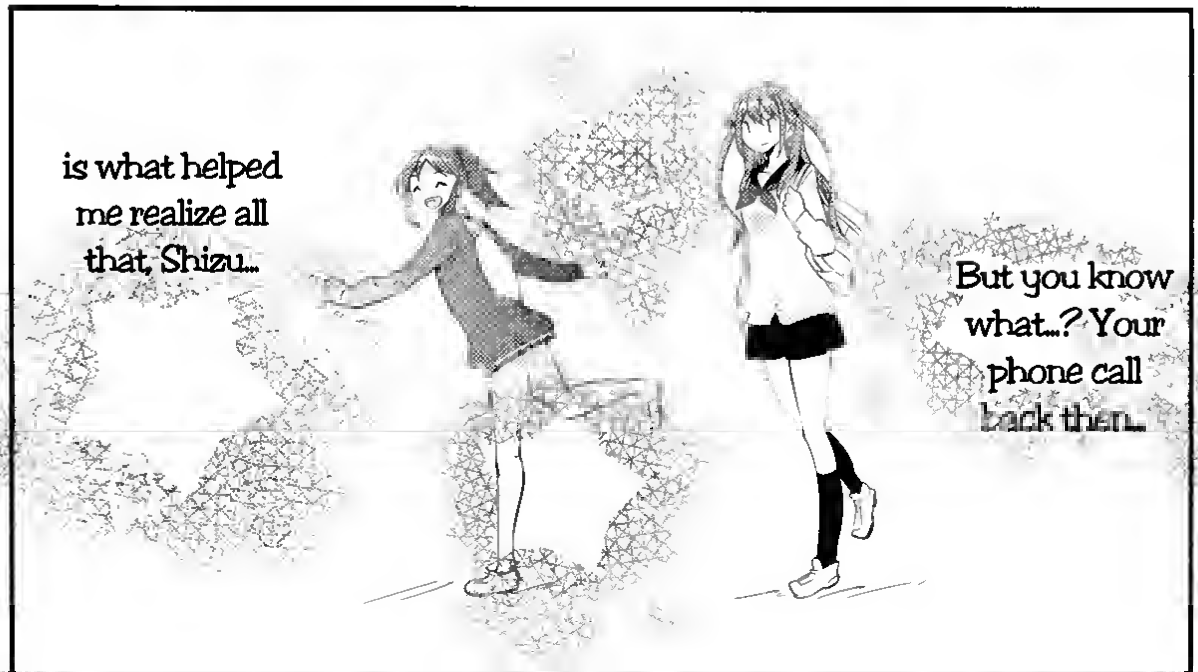
Ah... yeah... sorry.
Ako snapped...
AHAHAHAHAHA
What was the point of these last three years!?
All of that went POOF!



I only wanted to go to a school that had a strong Mahjong team.
But then I realized I wasn't doing all that out of a desire to play Mahjong...
It's like I was being told that even though I was trying to get into a strong Mahjong school, it wouldn't make any difference.
Nodoka is amazing! She can get first place even after transferring schools!
It was a pretty big shock...
Back then, I had serious doubts about what I was doing...
...I see...

Uuoohhhh!!!!!!
Uoohhh!!!!! We're gonna play again tomorrow!!!
.....
Ohh!!
Ahh, Pine, Pine! If you say you're happy going to Achiga then I'll leave it at that!
Why are you saying that when you're the one who brought this up...?

Sigh



is what helped me realize all that, Shizu...
But you know what...? Your phone call back then...

You've got your next member right here!
Ako-chan!
Ako!?
Back then
Ah
Ah...
That was kinda embarrassing

Aaa
aaaa
kkkooo
ooooo!!!
HEY... IDIOT! GET AWAY... SHIIIIZU-UUUU...!!
IT'S AKO!!
AKO!!!
IT'S THE REAL AKO!!!!!

JUST WHAT EXACTLY ARE YOU BASING THAT QUESTION ON, HUH!?!
Is this really Ako...?
GROPE
GROPE
Hmmm?
AGGGHHH!! IM SORRY! SORRY!!
PULL
You don't look like you've grown at all yourself!!!
It really is you, Ako!!
That retort of yours sure brings back memories, though!

It's Ako-chan!!!
Ako-chan!!
AHHH...
Gibbard Sakurako and the others...
They always came to hug me. I wonder how they're doing
I just remembered something too.

Pff... hehe

so very happy.
AHA HAHA!
I really am...

I'M BACK!!
That's why, from the bottom of my heart...
I'm glad I went to Achiga.

We took a break, and the upper classmen went to the convenience store.
During practice, perhaps because she got too riled up earlier, Shizu fell asleep.
The moment they left, I suddenly got the desire to tease Shizu.

Eh... Ako... just now...
Just as I thought it would, it woke her up.
FUEHH...?
SMOOCH
Ehh... no way... but... I'm not dreaming, am I...?
You didn't like it?
Her reaction was much more amusing than I thought it would be...
You're cute, Ako... and smart, we don't match...
It's just hard to believe! Ako and me...?
You think so? I think you're cute too, Shizu...

Ako...
I'll try getting a bit serious with her.
Come on, lick me.
H-Hey!! Don't just jump on to me all of a sudden!!
AHH!!
Ako-ooo!!
Akoo-oooo!!!
This doujin is supposed to be safe for work, please stop that
Eh!? A fantasy punchline!? Or is this just what the artist wanted to do!?
Maybe something like that would happen!
End!
